Gold Cups Ready For Dance Finals

Gold cups will be awarded the final winners of the jitterbug contest to be held at Lovchen Gardens by the Night Owls club, February 3.

Competing will be three teams, winners in the three preliminary contests which have been held during the past month. Winning the last preliminaries was a local couple, Lena Bertini and Frank Torres, both well known in Colma and Daly City. Miss Bertini was a Fiesta queen last year; Torres is a graduate of Jefferson.

A brand new orchestra has been engaged for the event and judges will be chosen from the audience. Dance enthusiasts are invited to attend and cheer for their favorite team.

Night Owls get-together banquet, at Legion hall, South San Francisco, last week, was reported a huge success.

Ghosts And Gags Vie In Mystery, 'Cat And Canary'

That ever-enlarging legion of screen and radio fans who look to Bob Hope for the ultra in gag comedy can prepare to laugh—and to be thrilled—when they see his new starring picture, "The Cat and the Canary," now playing at the Daly City theatre for the first time locally. And, in the bargain, they can make ready to see Bob indulge in plenty of romanc-

Paulette Goddard

ing with one of the loveliest leading ladies (his gorgeous co-star, Paulette Goddard) ever to evade a menacing hand (the hand of "The Cat" in this case, naturally).

Lest there be any who haven't heard, it must be recorded now that his role in this picture is being hailed as Bob's best. With a fine sense of fitting, Bob has been cast as a radio comedian, and has been provided with the best gags he has ever had.

Miss Goddard is seen as a magazine illustrator, but, symbolically, she is "The Canary" of the title, the young lady who is unfortunate enough to be pursued by "The Cat."

Companion feature on the new bill is "Dust Be My Destiny," starring John Garfield and Priscilla Lane.

Beginnings of Kindergarten
Maria Montessori, the Italian educator, studied at the University of Rome and graduated in medicine in 1894, being the first woman in Italy to do so. She then took up the subject of educating defective children. From the experience thus acquired, she came to the conclusion that similar methods might be applied to normal children of a lower age, and after a series of experiments on a small scale she extended them to a large number of children in private and public nursery schools in Rome. Her ideas on education have been set forth in several books which have been widely translated.

Heavily shaded portion of China's Yangtze river, inland as far as Nanking will be reopened to foreign boats tomorrow as a Japanese gesture to win the good will of the United States. The move is not expected to arouse much enthusiasm among American business men in China.

Fish Skin Fibers
Textile fibers from fish skin are a new development of Italian research. It is reported to the American Chemical society. The fibers are said to have a solidity 25 per cent higher than that of natural silk.

Swiss Birthrate
The Swiss, with the world's lowest birthrate, may soon become a "vanishing race," latest vital statistics about the nation disclose. Swiss babies born in 1939 were 20,000 fewer than those in 1900, and between those dates the number of births a 1,000 potential mothers slumped from 268 to 131. Should the decline continue, Switzerland's death rate in 1945 will exceed its birth rate.

Royal Neighbors Plan Whist Tonight

Mrs. Ocie Ainsworth will be chairman of the monster whist party to be given, this evening, at Eagles hall, by Vista Grande Camp No. 6035, Royal Neighbors of America.

Playing will begin promptly at 8:30 p. m. There will be a cash

first prize and many other valuable prizes as well, according to Mrs. Ainsworth.

The public is cordially invited to attend.

Sir Harry Lander

Most of the tourists who come to Hamilton, near Glasgow, come to see the place where Sir Harry Lander worked as a pit-boy in a mine. No one since the days of Sir Walter Scott has made Scotland better known or better loved.

Changed Viewpoint

A young woman in Westchester, Pa., sought to exchange her marriage license for a hunting license. Reason, she explained, was that her prospective husband has disappeared.

Wild Bill's Grave

Wild Bill Hickok's grave and that of the equally famous Calamity Jane, in the old "Boot Hill cemetery" above Deadwood Gulch, Deadwood, S. D., are visited annually by thousands of tourists.

Church Whist Set For Feb. 16

Friday evening, February 16, is the night set for this month's big whist party for the benefit of Our Lady of Perpetual Help church.

There will be a large cash prize

Little Sir Echo

Chief Park Ranger Perry Brown, of Grand Canyon, Ariz., was assigned to one of the oddest tasks ever given man to perform. It was to rescue an echo. Tourists reported a man crying for help. Brown raced to the scene and found a tourist sitting on a rock below the rim shouting into space.

and several other prizes, it was announced today.

Playing will begin at 8:30 p. m. The public is cordially invited.
